PEDESTRIAN SAFETY AT THE CITYWEST ROAD / FORTUNESTOWN LANE JUNCTION

A number of residents contacted me about the dangers of crossing Citywest Road near the Shopping Centre. Please find on the reverse the response I received from the Roads Department regarding getting a proper pedestrian crossing installed at this location.

My colleague Cllr Mick Duff will be pursuing this matter at the County Council.

MANAGEMENT COMPANIES

I will be holding a public meeting on July 9th in the Plaza Hotel about Estate Management Companies. The Government recently published the "2009 Multi-Unit Developments Bill".

Although there are a number of worthy reforms in the proposed legislation, the Bill's major short coming is that it does little for residents who are tied into existing Estate Management Companies. Please find enclosed a copy of the Labour Party Guide to Estate Management Companies.

Dear Deputy Rabbitte,

I refer to representation received on 02/06/2009 on behalf of Citywest Residents in relation to pedestrian facilities at Fortunestown Lane/Citywest Road.

A Count for the provision of pedestrian facilities will be undertaken on Fortunestown Lane when development is complete and roadside fencing has been removed, so that established desire lines can be identified for the purposes of the Count.

Yours Sincerely

Colm Murphy
