Rabbitte**  
TD

Dear Resident

Please find below an update concerning a few local matters. If you have any queries or other issues you would like raised feel free to contact Cllr Pamela Kearns or myself.

## 19 TEMPLEVILLE PARK PLANNING PERMISSION GRANTED

The Planning Department this week granted Planning Permission for two semi detached and two detached town houses on the site of 19 Templeville Park.

The new plans have placed greater distance between the existing homes on the street and the new houses. The new scheme is a big improvement on the original plan to build 14 apartments on the site.

## BIN CHARGE CARD

The new Council Waste Charges Card is now being rolled out. The new pre-paid waste card will eliminate the problems associated with bin tags being stolen.

The scheme will commence in Templeville Park on November 23<sup>rd</sup>. A number of residents queried whether bin tags they have already purchased will be valid after the new service is introduced. There will be an overlap period when customers can use either their remaining bin tags or the pre-paid scheme. **The deadline for the use of bin tags is February 1<sup>st</sup> 2010.**

You can pay in various local outlets including Centra Templeogue and Templeogue Service Station. More information is available at [environment.southdublin.ie](http://environment.southdublin.ie) which includes a full list of local retailers where you can top up.
